Read:

(Per.) Board's Proceedings (F.B) No.11, (SB) Dated: 17.02.1998.

PROCEEDINGS:-

In the Board's Proceedings cited, orders were issued for payment of Monthly Thermal Incentive Allowance and Annual Thermal Incentive Bonus to the employees of North Chennai Thermal Power Station with effect from 01.04.1998 with certain conditions for allowing the above incentives.

2. It was decided by TANGEDCO to construct another unit of 2X600 MW in North Chennai Thermal Power Project-II and the above project was commenced during June 2008. The commercial operation of the Project was put into commission on 28.03.2014. At the time of project construction stage itself, the employees of the North Chennai Thermal Power Project-II were allowed Monthly Thermal Incentive Allowance and Annual Thermal Incentive Bonus instead of Project Allowance and Project Special pay from 2008 onwards till 2013-14.

3. The Chief Engineer/North Chennai Thermal Power Station-II has sent a proposal for sanction of Monthly Thermal Allowance and Annual Thermal Incentive Bonus for the years 2014-15 and 2015-16 to the employees of North Chennai Thermal Power Station-II (Consequent on sanction of commissioning incentive).

P.T.O. for Annexure

ANNEXURE
TERMS AND CONDITIONS

(1). Monthly Thermal Incentive Allowance.

- (a) i) The employees of the North Chennai Thermal Power Station -II and North Chennai Thermal Power Project-II shall be granted a Monthly Thermal Incentive Allowance linked to production on the scale specified at flat rates for various slabs of basic pay at the rates prescribed in (Per.) B.P. (Ch) No. 223 & 224 (SB) Dated: 21.11.2009.
- ii) In lieu of Project Special Pay and Project Allowance, the staff in the construction side of the North Chennai Thermal Power Project-II will also be allowed the monthly Thermal Incentive Allowance as given to the staff of the North Chennai Thermal Power Station -II.
- (b) Minimum out-put corresponding to the annual rate of 5000 KWH/KW of installed capacity for the calendar month should have been achieved for eligibility to the Monthly Thermal Incentive Allowance.
- (c) As the Monthly Thermal Incentive Allowance is granted only as an incentive for production, employees will not be eligible for this incentive allowance during the following periods:-
- i) during the periods of absence on leave other than casual leave or special casual leave or compensatory leave.
- ii) during suspension.
- iii) when the employee is charge-sheeted for any reason, in-eligibility of the allowance for a period of one month, the payment for the month being restored only if he is exonerated.

(2) Annual Thermal Incentive Bonus:-

- (a) i) Annual Thermal Incentive Bonus is for the Accounting year commencing from 1st April of a year to the 31st March of the succeeding year. The employees on the role of the North Chennai Thermal Power Station-II who have been on actual duty (casual leave to be treated as actual duty) for 200 days in the accounting year from 1st April to 31st March of the succeeding year will be eligible to get the Annual Thermal Incentive Bonus.
- ii) A small construction side staff of North Chennai Thermal Power Project-II will also be allowed the Annual Thermal Incentive Bonus in lieu of the Project Special Pay and Project Allowance as given to the staff of the North Chennai Thermal Power Station-II.

::2::

- (b) The rates of Annual Thermal Incentive Bonus when generation level reaches 5100 KWH/KW and the rate of Annual Thermal Incentive Bonus for the increase of every 100 KWH/KW over and above 5100 KWH/KW are as indicated in (Per.) B.P. (Ch) No. 223 & 224 (SB) Dated: 21.11.2009.
- (c) i) The minimum output for the eligibility of the monthly thermal allowance, and also the output(s) for the admissibility of annual bonus shall be calculated on the basis of morning and evening peak period generation during the following hours:-

During Summer - April to September

Morning Peak Hours
05.00 to 09.00

Evening Peak Hours
18.00 to 22.00

During Winter – October to March

06.00 to 10.00

17.00 to 21.00

- ii) The peak hour generation data intimated by the power station to the Southern Regional Electricity Board, Bangalore would form the basis for incentive benefits. The daily energy generated during the peak period shall be computed in million units based on the half hourly generation in M.W. furnished to the Southern Regional Electricity Board, Bangalore and these will be summated for each month and multiplied by three for arriving at the monthly generation. The above monthly generation figures would be further summated over the year.
- iii) The Thermal Station should carry out the instructions of the Load Despatch Centres of the TANTRANSCO regarding load variations during off peak period. If any additional generation is pumped into the Grid during these off peak period in violation of the instructions of Load Despatch Centres of the TANTRANSCO, the generation of Power for that day computed as in (i) will be deducted out of the monthly generation of the station.
- (d) In North Chennai Thermal Power Station-II /North Chennai Thermal Power Project-II for extra hours approved and worked by the employees, a suitable reduction will be made from the total quantum of Annual Thermal Incentive Bonus, so that any over time paid is deducted from the total Annual Thermal Incentive Bonus Payable.
